Notice Type: Approval Notice
Valid from: 12/08/2017

USCIS has approved the application listed above. This approval does not expire, but it covers only the grounds of inadmissibility, deportability, or removal that you listed on the application. You do not need to apply for a waiver under section 212(c) of the INA for any future travel abroad unless new grounds of inadmissibility, deportability, or removal apply to you. If new grounds do apply to you, you will need to submit a new application to USCIS.

Show this notice to United States (U.S.) Customs and Border Protection (CBP) each time you return to the U.S. If the CBP officer finds you to be otherwise admissible, your admission to the U.S. is authorized under section 212(c) of the INA each time you return to the U.S.

USCIS has completed the processing of your application. If you have questions about the conditions of this approval, contact the nearest U.S. consulate.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

NOTICE: Although this application or petition has been approved, USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
